SUBJECT: Chinese Communist Training Documents for  
Liaison Exchange

1. Attached for passage to liaison are copies of a booklet containing two Chinese Communist documents entitled, Bases and Experiences of Legal and Illegal Activities, and Experiences in the Clandestine Work (Shanghai). These are Party documents acquired by a trainee in an indoctrination course given to foreign Communist Party representatives by the Chinese Communist Party. We believe they are of unusual value and warrant the special attention of certain liaison services. It is therefore suggested that in your area the documents be passed to [REDACTED] 25X1A6a for briefing [REDACTED] 25X1X7

2. Please coordinate the outgoing dispatch with [REDACTED] 25X1A8a
